EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Kassim M. Ferris (Reg. No. 39,974) on 11/01/05.

The application has been amended as follows:

On line 2 of claim 18, the term "machine-readable medium" is change to "computer-readable medium".

Drawings

2. The drawings were received on 08/22/2005. These drawings are accepted.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:

Please refer back to the outstanding Office Action filed on 05/24/2005 for the reasons of allowance under "Allowable Subject Matter". In addition, regarding to claim 18, the prior art of record does not show the limitations of a self-orthogonal character recognition engine (as defined in the specification) comprising a specific algorithm in creating a "recognition subroutine having a plurality of parameter settings for processing an input string, the recognition subroutine being operable to employ the plurality of parameter settings, one at a time according to a designated order of use, to generate a corresponding plurality of proposed result strings; a configuration file designating the order of use for the plurality of parameter settings; and interface for validating each of the corresponding plurality of proposed result strings against a database of acceptable result strings to thereby generate a validated proposed result string, the character recognition routine being operable to select as the result string the validated proposed result string."

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
